A photocopy of a Hizb-al-Shiyui al-Misri (H.Sh.M.) (Egyptian Communist Party) tract is available in the CIA Library. This document is an answer to tracts which were distributed by the HADITU, which is a rival communist group, on 7 March 1955 regarding the alleged amalgamation of the various communist groups into one organization called Hizb-al-Shiyui al-Misri al-Muahad (Unified Egyptian Communist Party). The H.Sh.M. which refuses to participate in this organization and claims to be the only true Communist Party, attacks al-Muahad as an imperialist conspiracy attempting to disperse the elements of the revolution by opportunistic deviationism and chauvinism.
